Save the Date! October 21st

There have been some of you that said you would like to attend Saturday worship at Calvary in White Lake and here is an opportunity. We have put together a day with Calvary for you! Join all or part of the ministry events happening on this day. The day begins with a fall antique car tour starting from the Calvary Clarkston campus at 9am. This part of the tour will end at the Pontiac M1 Concourse where a Calvary member will host us at his private garage for a barbecue, where you'll get to see an amazing car enthusiast's community! Visit the About Us page at www.m1concourse.com/about-us/.

After lunch, you'll be able to go within a mile to the Pontiac outreach ministry at Ferry Farms Orchard and enjoy the October event activities with our neighbors in Pontiac. This ministry focuses on building relationships and accompanying area residents and churches to help build a thriving community in this part of Pontiac.

While you're in the neighborhood the folks at the Calvary White Lake campus would love to host you with dinner, worship and relaxed fun at their monthly Food, Fun and The Son event starting at 5pm. This time will include a dinner, worship and activities after worship. You can stay as long as you like or depart after worship.

Pastor Ken will meet and be our guide from event to event. We will take time between the Pontiac event and the White Lake campus with a special stop along the way to process these events and understand the dynamics and reasoning behind these outreach events at Calvary. We suggest dressing in layers so you'll be comfortable. There is minimal walking but wear comfortable footwear and please let us know if there are dietary restrictions. Someone on the staff or a volunteer will contact you regarding these. The staff contacts are Kellee Rainoldi at Calvary or Pr. Ken (248)625-3288.

Please let Sue at CTK know by Oct. 1st if you're planning on attending this fun filled day!

Giving to Lutheran Disaster Response

This season has seen some of the worst hurricanes on record, and there may be more to come.

From Texas to Florida to the Dominican Republic, Lutheran Disaster Response is there. As a church, we're standing by our neighbors who have already been affected, and we are ready to assist in additional locations as disaster strikes. The road to recovery is long, and Lutheran Disaster Response will be there to accompany those affected in every phase. Your gifts will be used entirely (100 percent) for direct response. Together, we can help provide immediate and long-lasting support for those whose homes have been devastated or who have been otherwise affected by hurricanes. Give now to support survivors of disasters.

If you would like to donate, please make checks payable to Christ the King, and mark "Hurricane Relief" in the memo section. CTK will write one check to LDR.

You can go to elca.org for more information.
